

Reflecting Together

The purpose of this tool is to guide your conversation as you and your partner reflect on each phase of the process or the whole process.

Common Goal:

We are reflecting on:

| Questions | Notes |
|---|-------|
| What worked best? What didn't work? How do you know? | |
| What were the unexpected outcomes or moments of insight? What was the impact? | |
| What changes and adjustments could you make? | |
| What are your next steps? | |
